

Milo has 100 Unique Presentation Slides each file in HD Aspect ratio (16:9). Unlimited colors, modify shapes, texts, charts. This is a handcrafted presentation, based on **Master Slides** 30 Slide Icons ready to use.

You need the right fonts!

We're using the Montserrat family of fonts. You can download them here:

<https://www.fontsquirrel.com/fonts/Lato>

Calibri

To install:

Download the fonts, unzip, and copy them to your font folder. Then quit PowerPoint and reboot your computer.

Icon fonts:

Fontawesome 4.20 : <http://fontawesome.github.io/Font-Awesome/>

Sosa : http://tenbytwenty.com/?xxxx_posts=sosa

Modern Pictograms <http://www.fontsquirrel.com/fonts/modern-pictograms>
